Southwest Livingston County R-1 Families,

The Southwest Livingston County R-1 District and The Livingston County Health Department have been jointly working together to identify, isolate and quarantine individuals that have been exposed to a positive Covid-19 case in an Elementary School classroom.

If you have not been contacted by the health department or the school, you are not a close contact. In accordance with the new CDC quarantine guidelines. If you have been contacted you must quarantine for 10 days until December, 14 and monitor for symptoms. You may return to school on December, 15 if you have not exhibited any symptoms over the time period. If you do exhibit systems, you must quarantine for 14 days until December, 18 or until you have not exhibited any symptoms for 48 hours. People with COVID-19 have a wide range of symptoms, ranging from mild to severe and may appear 2-14 days after exposure to the virus. People with symptoms of COVID-19 may experience:

Fever or chills, cough, shortness of breath, fatigue, muscle aches, headache, new loss of taste and smell, sore throat, congestion and or nausea or vomiting and diarrhea. Contact your healthcare provider if you develop any of these symptoms.

Please continue to practice preventable actions to prevent the spread of COVID-19 such as social distancing, wearing a face covering over your mouth and nose, proper hand washing and hygiene, and most of all PLEASE stay home if you are sick.

Thank you

Burnie Schneiderheinze
Superintendent
